

1. A certificate search costs \$24 and includes one copy if the certificate is located. The search covers a three-year period. Requests are processed in the order received and can take up to four months plus the mail delivery time. The search fee is required to process a request and is non-refundable even if a record cannot be located. For current processing times for expedited requests, visit <https://vitalrecords.nc.gov/processing-dates.htm>. State statute requires that vital records process payment upon receipt of your application. Hence, there will be a lag between the date your payment is processed and the date you receive your order.
2. A separate application form must be submitted for each individual certificate being requested, and a separate VitalChek processing fee is required for each separate application. ("LexisNexis VitalChek Network Inc. is in partnership with the North Carolina to enable enhanced electronic processing of mail-in vital record applications.")
3. Due to identity theft and other fraudulent use of vital records, ID of the person requesting a certificate is REQUIRED. Requests that do not include ID will be returned. You MUST include a legible photocopy of one of the photo IDs listed below with your request:
